

## PAYMENT INSTRUCTIONS FOR INTERNATIONAL STUDENTS

Payment of tuition fees is a condition for enrolment in higher education in the Netherlands. International students who do not have a bank account in the SEPA zone cannot issue a direct debit mandate for the collection of tuition fees. These students should transfer the amount themselves to Avans University of Applied Sciences. The details given below explain how you can do this:

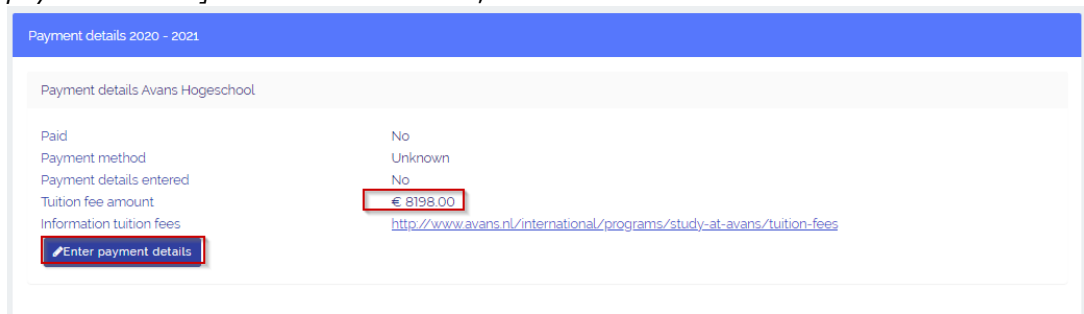

1. Go to [www.studielink.nl](http://www.studielink.nl);
2. Once you have registered in Studielink you will receive a welcome message, which you can find under Home • Messages. This message contains your **student ID number**. Write this number down, as you'll need it for step 7 of this procedure;

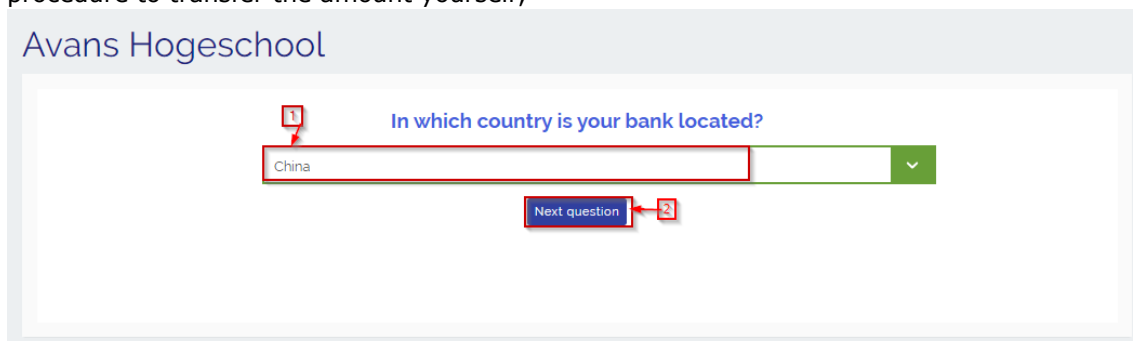

3. In the top menu bar select the [*Payment*] button;

4. This will take you to a screen showing the **Tuition Fee Amount** that you have to pay. Write this amount down, as you'll need it for step 7 of this procedure. Click on the [*Enter payment details*] button on this screen;

5. Under field [1] select the country from which you wish to transfer your payment. Studielink will determine whether the country falls within the SEPA zone. If this is the case, you can issue an online mandate. If this is not the case, you can use the following procedure to transfer the amount yourself;

Click on *Next question* [2];

6. Confirm in the checkbox that you are aware that you must arrange the payment via Avans and click on the [Save] button;
