

Tuition fee payment guide 2024/2025

Please find below the tuition fee collection dates and the corresponding standard instalments amounts. These dates also apply if you have chosen to pay your tuition fees as a lump sum. If you pay in instalments you will pay € 24 in collection charges.

Please note that we will not collect tuition fees from you until your enrolment is complete. If your enrolment is not finalized in time we will not be able to make a collection.

Halving of tuition fees

The halving of tuition fees applies to 2nd years teacher training course students

Make sure to have sufficient balance in your account

In the event that the amount of an instalment cannot be collected, you will be given 1 opportunity to rectify this omission. Please read Chapter 3 of the [Terms of Enrolment](#) for more information about further steps in this process.

Avans University of Applied Sciences must present collection batches to the bank 2 working days in advance of the collection date under the pan-European direct debit scheme (SEPA). Any payments and/or financial changes arising from your enrolment or deregistration during this period cannot be taken into account.

If you have any questions, please contact Student Support via servicepunt.avans.nl or phone on +31 88 -525 75 50.
