

's-Hertogenbosch

- Focus:
 - marketing, (intercultural) communication, sales
- Didactical approach:
 - Projects: you work closely with companies. Real business issues (in the form of projects) are at the core of your programme.
 - Coaches: active learning is important in this programme. You will look for solutions to the business issues yourself. You as a student are in the lead. Coaches will guide and support you during the projects and in your personal development.
 - Individual learning path: As of year 2, you can decide your own learning path. Based on experiences, knowledge and interests you choose the content of the programme and the structure of the programme is flexible (order of work placement, graduation internship, minor).
 - Assessment: you will not be assessed on individual subjects but you will be assessed on the whole process of gained knowledge and communicative skills (both individually as in a group).
- Single Degree (BBA)
- 2-5 languages (English + French, German, Spanish, Dutch)
- International focus with growing number of international students/staff

Breda

- Focus:
 - finance, marketing, management
- Didactical approach:
 - Classes and projects: you follow classes to gain knowledge and you practice your business skills. You use this knowledge and these skills to work on business projects.
 - Lecturers: lecturers are teaching the knowledge and skills classes. With your coach you work on your personal development.
 - Structured learning path: structure of the programme (work placement, exchange, graduation internship) is predetermined.
 - Assessment: the moment of assessment is predetermined.
- Single Degree (BBA) or Double Degree:
 - Double Degree: Year 1 and 2 you study in Breda, year 3 and 4 you study at partner school (Germany, France, Italy, Hungary or Mexico). After four years of studies you obtain two bachelor degrees.
- 2 languages (English + French, German, Spanish, or Chinese)
- Strong international focus and accreditations, student/staff community of > 40 nationalities

Similarities
